O3D 1-Year Extension Paper 3-31-2017 jmt + drm (snapshot) + KMS +ac.docx

Was reviewing for consistency, but a couple typos found and then added some info in comments for SO2.

Thanks,

Thanks for keeping me in the loop. Here are my additions. I think both of you picked up the major issues, and in most cases, I was simply adding to what you said.

I would send this review to OAQPS now to incorporate BUT also let them know that you're asking the other NAAQS-experts to review the short portions in the history sections (and then send just those paragraphs by e-mail to those experts for review).

Kristi,

Attached is the paper with edits from Jan and I. Scott wanted input back by mid-day tomorrow.

SharePoint is not cooperating, so we reviewed offline. I can incorporate OGC edits back into SharePoint if need be, or we can send our consolidated comments to the program in one document via email. Please let me know what I can do to assist.

Thanks!
